thank you everyone today hanabishi-kyou celebrates yet another anniversary! happy belated birthday to me, and we all hanabishi-kyou members thank you so much for this group to do an amazing job, and i thank you for making such a well edited transcript. it made the transcript a lot smoother!

it's been one year since i have taken over the group, and i much be personally thank everyone involved here. without you guys this group would have failed very like so many others. here's to another wonderful year, full of completing old projects and finding younger new ones!

oh yeah, we still need stuff, we really really do!

Happy 4th Anniversary Beautiful Soup!

May the next year bring us
much smut, great sex, lots of
cunting, moaning, groaning Nnn' ing,
nibbling, licking, sucking, unzipping,
pinching, grabbing,

snagging, thrusting, sighing and
apparently, sexy dishes, guns and
being turned into a personalized
present. However, no matter how
long I look at that picture, I still
can't find doing the dishes very
sexy at all. Woe is me.
